

1. Login to [www.quest-wireless.com](http://www.quest-wireless.com)
2. Select new user to create your login. For existing users, login with your email and password.
3. Enter your personal and billing information to create the account.
4. Add the camera to your account using the IMEI and ICCID (SIM card) numbers.
5. Choose your plan!

The IMEI number can be found on a sticker located directly on your Quest Camera. The ICCID can be found on the card that came with your camera!

Be sure to use Verizon or AT&T, depending upon the plan you choose.
